HDTV Media Terminal

The optimum Viewing Point on Exhibitions & Showrooms

Superslim Media Terminal in Stainless Steel or Aluminum Housing System

including **fanless Industrial - PC**

- 32".....55" - High Brightness TFT with **HDTV** Resolution
- Brightness up to 600 cd/qm
- Pentium M / 1.8 GHz, 2 GB RAM
- Hard-Disk 200 GB
- Ethernet, RS-232, LPT1-Port
- High Definition Audio
- Touchscreen Option

PC- Specification

Intel Socket 478 Pentium Mobile Processor 1.8 GHz
Hyper Threading Technology

Fanless Operation with Passive Cooler

Core Logic

Intel 915 D + ICH2 Chipset

BIOS

Award Bios

Front Side Bus

533 MHz

Memory

2 x 184 Pins DIMM support 2 GB DDR DRAM (max)

Onboard LCD/VGA Controller

Chip with on-die 256 MB memory
Support LVDS -LCDPanel & Dual CRT display

Multi I/O

Onboard Winbond W 83627 HF Chip
Support:
* 1 x SPP, EPP /ECP Parallel Port by Pin Header
* 1 x RS-232 Com 1
* 1 x RS-232/422/485 (Jumper selectable)

LAN Controller

Intel 82562 EM for 10/100 Base TX, support WOL

USB

Onboard 4 x USB ports by Pin header

Audio Realtek ALC888 High Definition Audio.

SSD

Up to 32 GB SSD – no rotating parts

Hardware Monitoring

Winbond W82627 HF Chip, Monitoring of CPU, System Temperature, Voltage

Watch Dog Timer

16 Levels Software programmable

Environmental

Operating Temperature : 0 .. 60 ° C
Storage : -20 ...80 ° C
Rel. Humidity : 10% .. 90 % (non-Condensing)

Dimensions

2000 x 600 x 60 mm (HxWxD)

Approvals

CE, FCC
